Arvid Kleven
Trio op.12
(Unfinished - 1925)
for
Violin Cello and Piano

Dette verket av Arvid Kleven var det siste han komponerte før han gikk over til å komponere i atonal stil.

Original besetningen for dette verket er fiolin , cello og klaver, og trioen ble aldri fullført.

Jeg har fullført dette verket med den største respekt for komponistens arbeid, med håp om at det vil bli fremført.

Arvid Kleven døde så altfor ung, kun 29 år gammel i 1929.

Original notene til dette verket finnes på Universitetsbiblioteket i Oslo.

This work by Arvid Kleven was the last he composed before he changed to compose to atonal style.

The original instrumentation of this work is Violin , Cello and Piano, and the trio was never carried out by the composer.

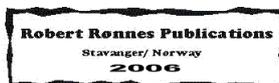

I have with the greatest respect for the composer completed the work, in the hope that it will be performed.

Arvid Kleven died only 29 years old in 1929.

The original music of this work belongs to Universitetsbiblioteket in Oslo-Norway
