P R A E N E S T I N I

MOTTETORVM

Quinq; Vocibus

LIBER QVARTVS, EX CANTICIS

Salomonis, Nunc denuo in lucem additus.

Venetijs Apud Angelum Gardanum.

M. D. LXXXVII.

I

SANCTISSIMO D. N. GREGORIO XIII.
PONT. MAX.

Extant nimis multa poetarum carmina, nullo alio, nisi amorum Christiana professione, & nomine alienorum argumenta: ea vero ipsa carmina hominum verè furore correptorum, ac iuventutis corruptorum magna musicorum pars, artificij, indutrieque suæ materiam esse voluerunt, qui quantum ingenij laude floruerunt, tantum materiæ vitio apud bonos, & graues viros offenderunt. Ex eo numero aliquando fuisse me, & erubesco, & doleo. Sed quando præterita mutari non possunt, nec reddi infecta, quæ facta iam sunt, consilium mutavi. Itaque & antea elaboravi in ijs, quæ de laudibus Domini nostri Iesu Christi, Sanctissimæque eius Matris, & Virginis Mariæ carminibus scripta erant, & hoc tempore ea delegi, qui diuinum Christi, sponsæque eius animæ amorem continerent, Salomonis nimirum cantica. Vñ sum genere aliquanto alacriore, quàm in ceteris Ecclesiasticis cantibus vti soleo: Sic enim rem ipsam postulare intelligebam. Volui autem hoc quid quid est operis offerre Sanctitati tuæ, cui, si minus re ipsa, at certe voluntate & conatu, satisfactum iri non dubito. Sed si, quod vtinam contingat, re etiam ipsa satisfecero, incitabor ad alia edenda, quæ tuæ Sanctitati grata fore existimabo. Conseruet nobis Deus quamdiutissime Gregorium Pastorem vigilantissimum, suiq; gregis amantissimum, cumuletq; omni felicitate.

Humilis Seruus

Ioannes Petrus Aloysius Prænestinus.
