The immediate object of the above little solo arrangements has been to provide players of this grade with pleasing, attractive and progressive material, incorporating well-known national, folk and college-songs. The fantasias have all been arranged with a special view to meeting the demands of medium advanced players. All passage work variations, double-stops, harmonics, bowings, etc., have been carried out with a view to supplying material well within the range of difficulty necessary for young players in need of ambitious first and third position solo material; and nothing has been spared in point of careful editing and effective harmonic setting, to make these fantasias representative teaching and solo material in every particular.

Brilliant and demanding advanced ability as to left-hand passages and the lighter styles of bowing.
