## CHRISTMAS MORN

*Christmas Morn our Savior was born  
Came to free the world of our sins.  
Goats and sheep were quiet that night as the angels sang:  
"Glory to God in the highest,  
peace and good will to all men."*

*Sent from Heaven, gift of our Father,  
Jesus has taught us to love.  
And if we just follow His way,  
we all can live with Him one day.*

*Christmas Morn they came from afar,  
Wise Men following a brilliant star.  
Bearing presents fit for a King and the heavens sang:  
"This is the Son of our Father,  
He is the beloved One."*

*Shepherds kneeled in awe of the newborn,  
knowing that this was the Christ,  
who came to atone for our pride,  
and teach us to better our lives.*

*All we need to do is learn love.  
We can have Christmas through the year.  
Jesus, Lord, was born on that morn,  
with the angels so near.*
