ILLVSTRISSIMO PRINCIPI
AC DOMINO, DOMINO LVDOVICO, DV-
CI VVIRTEMBERGICO AC TECCENSI, &c. COMITI MOM-
PELGARDENSI, DOMINO SVO CLEMENTISSIMO.

*Non tantum, Illustrissime Princeps, in aula Onoldina Il-
lustrissimi Principis ac Domini, Domini Georgii Friderici, Marchionis
Brandenburgensis, &c. clementissimi mei Domini, per aliquot annos Musi-
ca mihi demandata fuit: verum etiam postea ab amplissimo Senatu Reip.
Noribergensis, ratione muneris mihi injuncti, quo adhuc fungor, eò ordi-
natus sum, ut Musico choro ad D. Egidii praeferer. Vtrobique verò (quod
tamen citra jactantiam dictum volo,) studiosè operam dedi, ut optimorum
& praestantissimorum Musicorum harmonias conquirerem & publicè pri-
vatimque instituerem. Quod cum cognovisset Typographus noster Lam-
bertus Nedenus, de re literaria, inprimis de arte Musica, praeclarè meritis, (cuius anima est in be-
nedictione,) me scilicet magna cantionum novarum copia instructum esse: non destitit monendo
& sollicitando me urgere, ut modulationes recens elaboratas, de praecipuis totius anni festis, collige-
rem, & typis aeneis in vulgus edi paterer. Hoc ego, nimirum animo perpendens, aliquam inde uti-
litatem ad multas Ecclesias & Scholas redundaturam, amico denegare omnino non potui. Proinde
has praesentes Motetas, à celebratissimis artificibus, praesertim in Italia hoc tempore florentibus,
concinnatas, partim antea Venetiis in diversis exemplaribus excusas, partim autem prorsus novas,
& nunquam typis editas, in unum corpus redigere volui: non tam ut amici petitioni satisfacerem,
quàm ut earum usum Ecclesiis & Scholis communicarem, ac benignè, quemadmodum par est, con-
cederem. Quarenti verò patronum & Mecænatem, sub cuius tutela ac defensione Musa nostra in
publicum prodeant, praecipuè occurrit Illustrissima tua Celsitudo, cui hoc quicquid est opellae humili-*

*mè dedicatum & inscriptum offero: utpote tali Principi, qui præter alias heroicas & principe dignis-
simas virtutes, quibus Celsitudo tua ornata est, etiam singulari favore, studio mirifico ac benevo-
lencia paterna Musicam, tanquam divinam artem, prosequitur, eamq; non modò probè intelligit
& strenuè promovet, sed etiam in aula Celsitudinis suæ non exiguum præstantissimorum Musicorum
numerum liberaliter fovet, magnis beneficiis cumulat, ac honoribus amplis ornat. Quod superest,
humilima animi subjectione rogo, ut Celsitudo tua hanc meam, licet tenuem, & fortassis tali Prin-
cipe imparem, attamen cultibus divinis inservientem & apprime necessariam, operam, ob præstan-
tiam auctorum, clementer suscipiat, meq; sibi commendatum habeat. In Christo feliciter valeat
