ME A Syren Cælo addicta diuinas modulatur Cantiones Iure ergo Illustrissime Princeps tibi plaudit, cum tu in Sanctissimo Patruo tuo **VRBANO VI.** Virtutum omnium diuinitatem admireris, & in tuis gentilitijs Apibus vel ipsas Cæli Stellas agnoscere videaris, quarum motibus incomparabili splendore ipsa Pietas præest, hoc est tuarum laudum clarissimum incrementum. Nec dissonam meæ artis rationem crede, si non omnes veterum Musicorum leges, ac decreta perpetuo seruet, ea enim maximè probatur modulatio, quæ verborum, rerumque ponderibus consona, sua vi, non tam aures mulcet, quam animos imprimit. Lubens ergo hæc accipe, & hos dulces animi mei labores tuendo, dignitatis tuæ splendorem benignitatis suffragio commenda. Vale, & in bonarum artium præsidium diu feliciter impera. **Roma Kal. Octobris. 1628.**
