SERENISSIMA ALTEZZA.

AL merito impareggiabile di V. A. S. che con i raggi d'un benigno aggradimento hà mai sempre illustrato le tenebrose caligini della mia penna, humilmente consacra quest' Opera, la quale per essere sacra, non ad altri si conueniva, che à vn Prencipe riguardeuole per la pietà, & ammirabile per l' integrità de costumi. Non parlo della nobiltà del Casato, nè fauello dell' imprese generole de suoi celebri Antenati, perche se volessi mentouare le glorie d' vn FERRANDO figlio di FRANCESCO Secondo Marchese di Mantoua, che con la forza del suo braccio guerriero assicurò su'l capo à più Monarchi il vacillante Diadema, i fasti d' vn CESARE non disuguale al Padre, che dallo Scettro Cattolico fù creato Capitan Generale di Cavalleria in Italia, i pregi d' vn GIO. VICENZO, che per la carriera d' vn sapere inarriuabile giunse, non sò, s'io dica ad essere honorato da gli Osti Quirinali, ò ad honorare le Porpore di Roma, le attioni d' vn' ERCOLE, d' vn OTTAVIO, d' vn' altro FERRANDO, e di tant' altri GONZAGHI famosi non meno per le vittorie riportate in guerra, che per la prudenza dimostrata in pace, sarebbe vn voler scorrere l' immensità di mille Oceani sù l' incostanza pericolosa di mal sicuro nauiglio, & vn pretendere di vagheggiare il bell' occhio del Sole, abbisso interminabile di luce senza pupille d' Aquila generosa. Mi fermo solo nelle prerogatiue merauigliose di V. A. S. sì perche non hà Ella d' huopo mendicare dall' altrui glorie luminose splendori al suo merito, nè publicare con la tromba dell' altrui Fama il proprio valore, come anco perche stimarei d' hauer soddisfatto in gran parte

4
al mio riverente desiderio, se giongessi à perfettamente celebrare la
minima di quelle Virtù Eroiche, che la rendono memorabile nella ri-
cordanza de posteri. E' questa l'vbbligare con la nobiltà de tratti cor-
tesì vniti sempre alla maestà di Grande, e con il cumulo d'infinita
grazie i professori della Virtù, mediante la quale le si deve meritamē-
te in questo nostro secolo il titolo di Mecenate. A Lei dunque tri-
buto con tutto me stesso vn mio debole parto douutole, sì per il ge-
nio, che hà di benignamente proteggere l'altrui fatiche, sì anche per
i natali, che mi rendono suddito della gran STIRPE GONZAGA.
Non la supplico di gradirlo, comunque si sia, perche gli enti non
deuonfi moltiplicare senza necessità, sapendo benissimo, che l'A-
QVILE ancorche auuezze ad habitare le souranità de monti più ec-
celsi, & ad ispecchiarsi nella luce del Sole, non sdegnano taluolta
metter piede nella profondità di bassissime valli, e rimirare con pu-
pille cortesì i monticelli di fango. Se le rassembro ardito, incolpi
non già l'animo, mà l'ossequio congiunto alla brama di publicare al
Mondo i miei stenti sotto l'alto Patrocinio di V. A. S., à cui humil-
mente, e profondamente inchinandomi, mi dedico in eterno

Di Vostra Altezza Sereniss.

Humiliss. Deuotiss. & Ossequioss. Seruo.

Simpliciano Oliuo.
